Happy Hands is a consistent, warm and nurturing environment. Our second child is attending Happy Hands because we have always been pleased with this preschool. Thank you."

"Wonderful program. The reason I continue to bring my children is because they learn through play and the teachers are wonderful!"

Happy Hands Preschool offers:

Happy Hands Preschool was established in the fall of 1967 and is a non-profit school, owned and operated by the Evangelical Covenant Church of Princeton.

Our school provides an atmosphere that encourages the social, emotional, physical, spiritual and intellectual growth and development of each child. Early childhood should be a time of fun, warmth, security, exploring and discovery. Preschool children are creative and receptive; our staff strives to nurture and encourage these qualities in the children who attend.

Our goal is to help children adjust to new situations, to feel comfortable and secure with their environment, to learn to reason and problem solve, to successfully communicate with others, to develop a positive self image and to prepare them for Kindergarten.
