Local Outreach Spotlight

Freedom House

Freedom House provides compassionate, confidential, free services to victims of domestic violence and sexual assault, as well as awareness and prevention education in our community. Freedom House envisions a world free of sexual assault and domestic violence.

We can't do it without you! Your contribution helps provide emergency temporary housing to innocent victims and their dependent children. Every dollar you give will help pay for a night of shelter and services for a family in need of comfort and safety. For more info, or to donate, go to <https://www.freedomhouseillinois.org/>.

OUTREACH OPPORTUNITIES:

We are seeking individuals, couples and families to step outside their comfort zone and connect with others. Is that you? We have a couple opportunities for you to consider:

Feeding the homeless – The 4th Monday of every month a team of 4-5 individuals travel to the PADS homeless shelter in Peru and serve them a warm meal. We would like to increase our volunteer team list.

- Would you be willing to volunteer one Monday night and help serve?
 - The next meal will be served on **Monday, April 22nd at 6 pm** (arrive about 5:45 pm). Usually, we are finished by 7 pm or a little after.
- Do you like to make desserts, salad, veggie or a main entrée? Would preparing part of the meal be of interest to you so you can share your God given talent? Please reach out to Pastor Alex if you are interested.

The mission of the local outreach team is to put our faith in Christ into action through prayerful identification of needs within the local community and empowering Christians within our congregation to meet those needs through service.
